The land that gave the world a Gandhi and a Sardar.
The soil that gave the country its freedom and a new direction.
The land that's driving India's millennium story.
The heartland where many revolutions started is calling you,
to create your own revolution.

An integrated industrial ecosystem.

Satyamev Industrial Heartland (SIH)

is an integrated growth ecosystem,
an ultra modern, multi sector, industrial park,
located strategically amidst a manufacturing hub
and one of the most well connected parts of India
with strategic access to the entire Indian and world market and
surrounded by the most cohesive global business environment
in Gujarat.

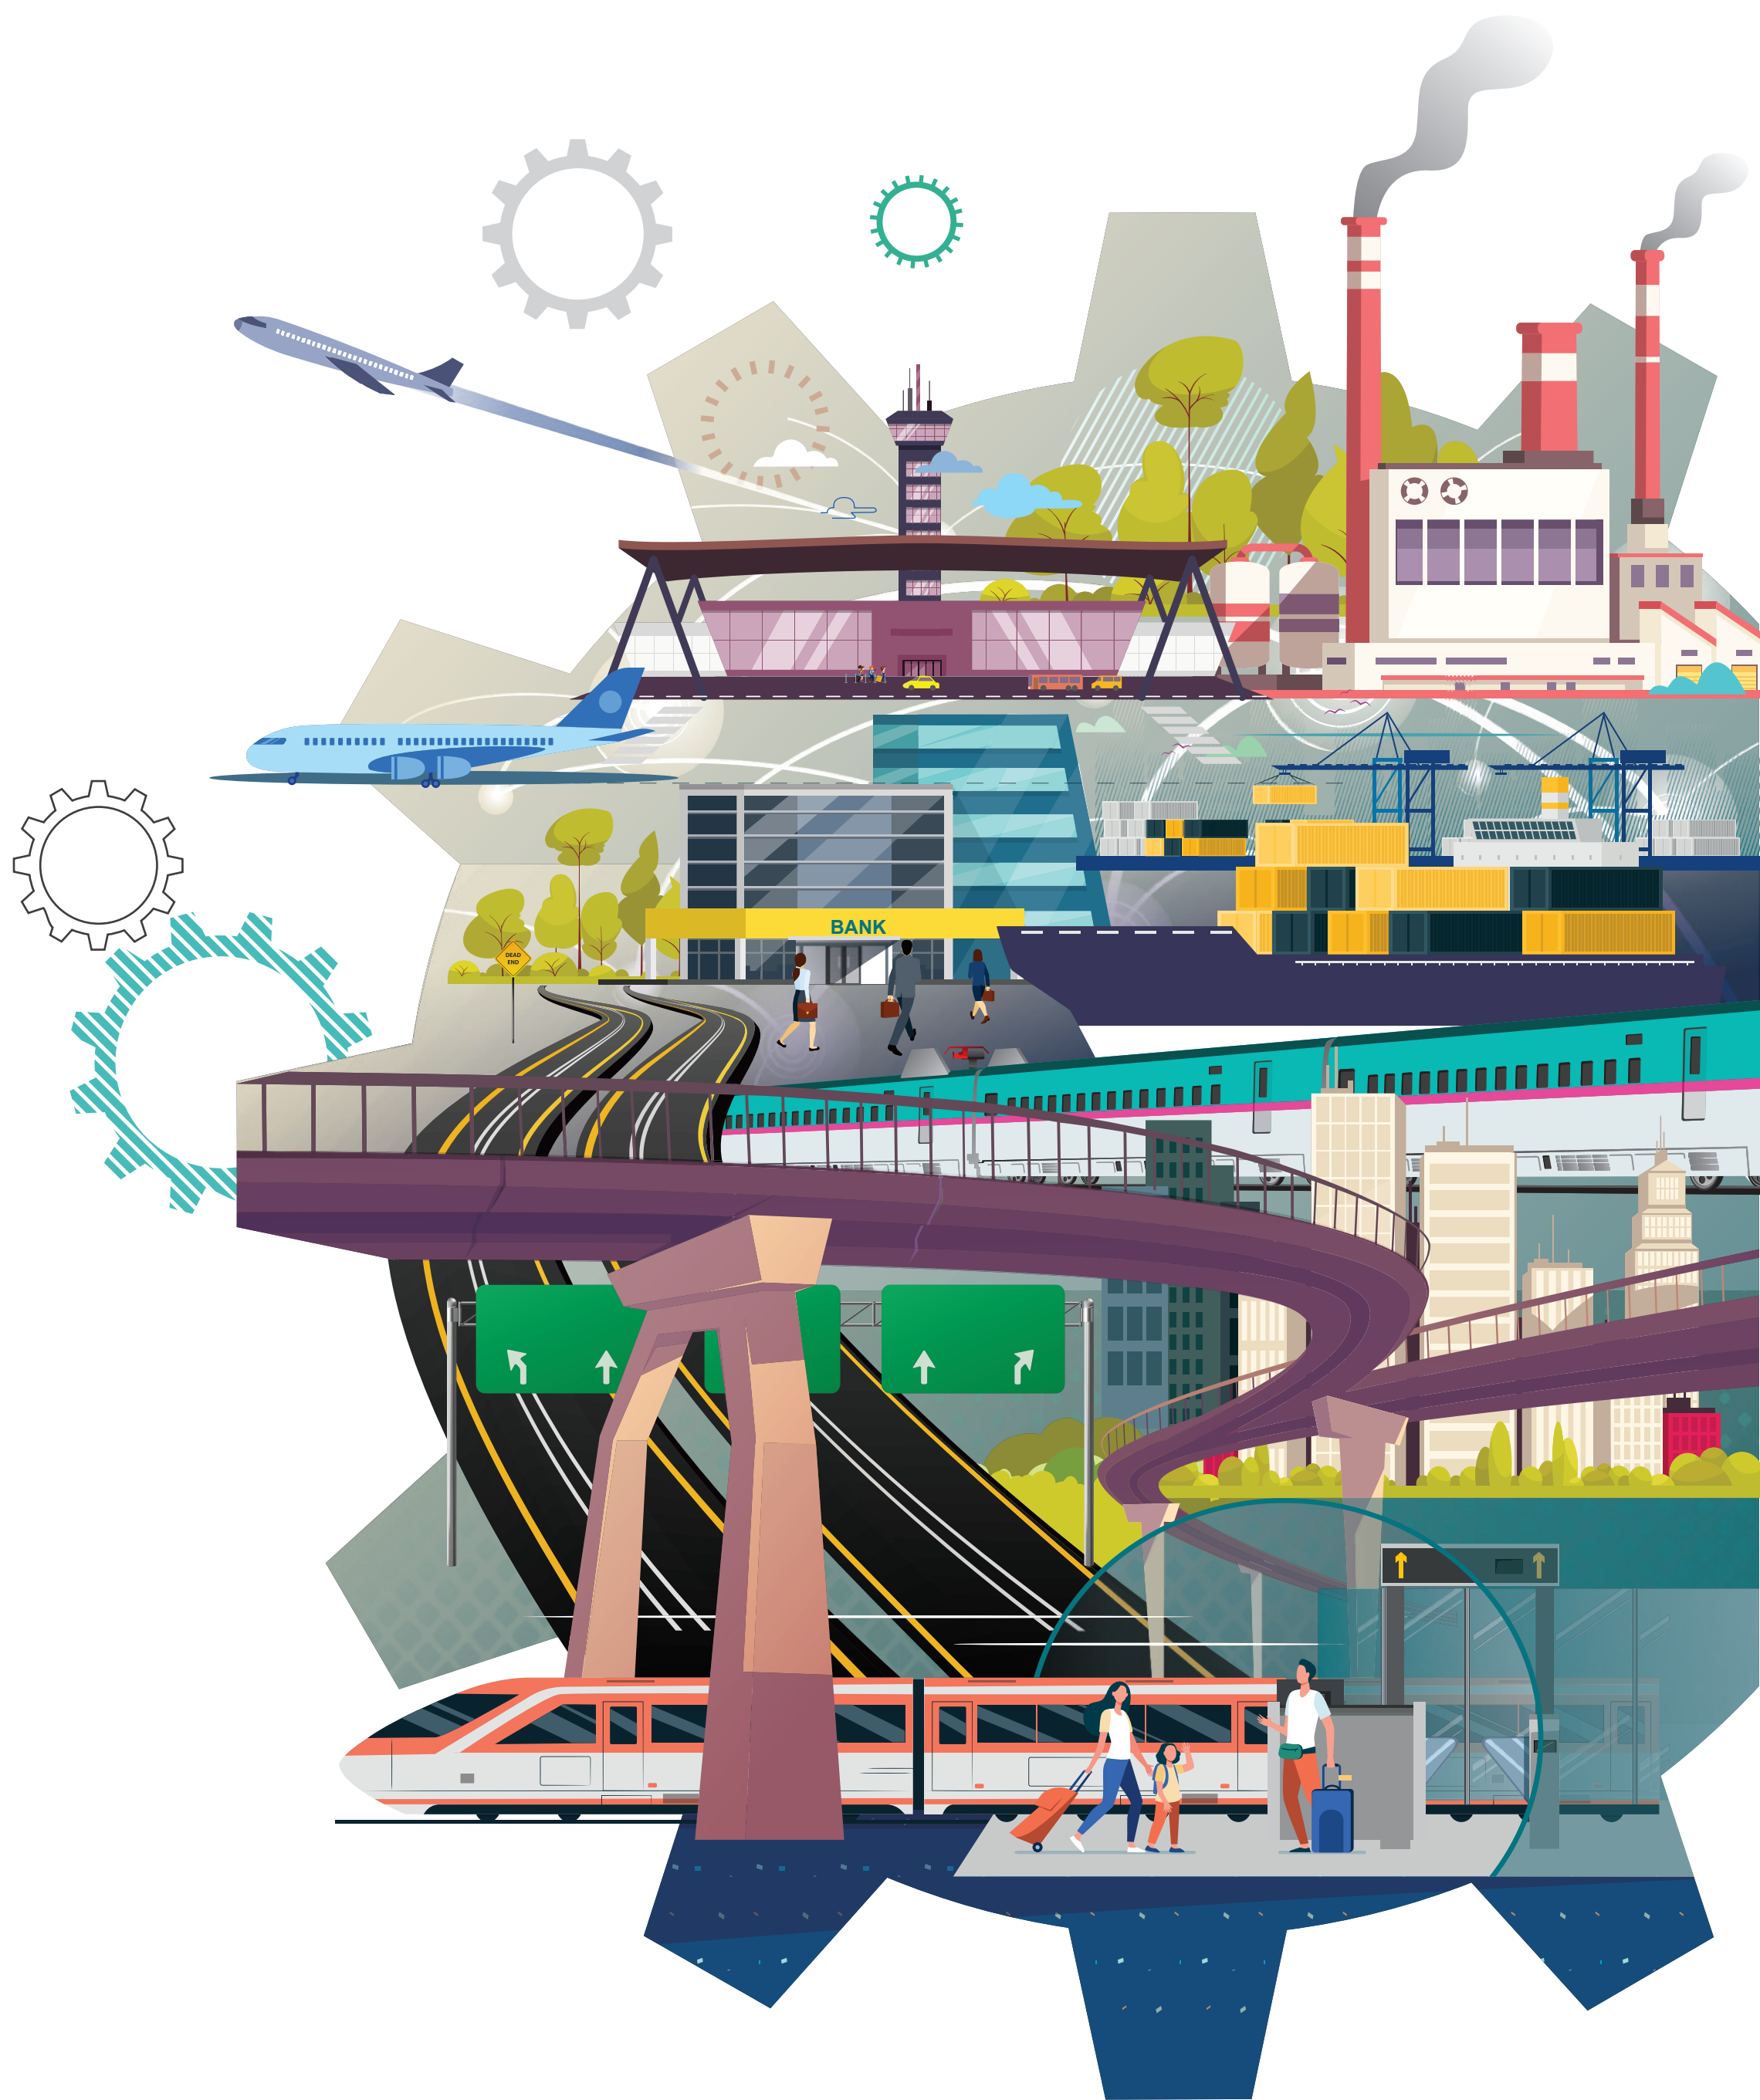

SIH, by Satyamev Developers,
covering an area of 250 acres or 11.25 million square feet, is one of
Gujarat's largest private industrial parks
and is located just 30 mins from Ahmedabad,
on the Chhatral-Nandasan Highway.
